

Your Employee and Family Assistance Program is a support service that can help you take the first step toward change.

Help your children reach their potential with Children's Support Solutions

Our **Children's Support Solutions** help children and youth reach their potential – and now you, your family and friends can save 10%.

Our team includes experts in speech, behaviour, psychology, learning and movement who are dedicated to helping children with differences and their families. Our professionals work together under one roof at our clinics to provide convenient inter-professional care, including:

- Psychology
- Psychoeducation
- Speech-language pathology
- Behaviour therapy
- Occupational therapy
- Physiotherapy
- Special education

Whether your child has a developmental, behavioural or mental health challenge or could benefit from additional support with printing, academics or social skills - we can help! Understanding each child's unique needs is what we do best. **[Read success stories here.](#)**

Locations: clinics and online therapy

We have **13 convenient clinic locations** across Canada as well as **online therapy and learning services**. Our therapists and educators work together under one roof at our clinics to provide your child or teen with spectrum of care that is not available with other providers. As a parent or caregiver, you save time travelling to and from various clinics for appointments with different therapists or providers. With the additional option of **online therapy and learning services**, your child can participate in

therapy sessions from just about anywhere with an internet connection!
